

BEST of SHOW

January 22, 2012

Manufacturer: Posse Audio

Product: Stage Monitor Mix System

The editorial staffs of *Pro Audio Review* and *Pro Sound News* magazines are proud to present the 2012 NAMM Show's ProSoundNetwork Best of Show Awards in Anaheim, California. Your 2012 Winter NAMM debuted product cited above is now officially recognized as a Best of Show Award winner.

During each of the major conventions and trade shows, the editors of *PAR* and *PSN*, with assistance from the editors of sister titles *Audio Media* and *MIX*, comb the exhibit halls for new and noteworthy products. Gear and software that show particular merit are singled out for the ProSoundNetwork Best of Show Awards. All products debuting at a given event will be eligible.

Coverage of the awards for the 2012 NAMM Show will follow in the February issues of *Pro Audio Review*, *Pro Sound News* and at ProSoundNetwork.com, the joint web presence for the titles.

Congratulations!
